

M.Sc Students Research Project at CSIR-NCL,Pune:

No. of students completed projects : 05

No. of students planed for projects :04

Sr. No.	Name of the students	Title of Research Project	Class	Status	Year of passing
01	Mr.Chordiya V.S.	“Synthesis of 1,5-benzodiazepine using glucose derived carbonaceous solid acid catalyst”	M.Sc	Completed (July 2017)	2018
02	Mr.Bhongale G.R.	“Synthesis of FDCA from 5-Hydroxy methyl furfural using Pd/CC catalyst under aqueous conditions”	M.Sc	Completed (July 2017)	2018
03	Miss Kshirsagar S.	“Synthesis of intermediate of biologically active compounds	M.Sc	Completed (Dec.2018)	2018
04	Miss Shinde M.	“Synthesis of intermediate of biologically active compounds	M.Sc	Completed (Dec.2018)	2018
05	Mr.Bhosale V.	“Biomass derived carbaneous solid acid catalyst for C-H activation biaryl synthesis	M.Sc-II	Completed (Nov.2018)	Appeared

After successfully completion of project in NCL our department Miss Kshirsagar Shital selected as ‘project assistant’ post at NCL, Pune on stipened 25,000/month through screening and oral interview in Jan.2019.
