## GOVERNMENT OF MAHARASHTRA

No. NGC-3581/6219/UNI-2, Education & Employment Department Mantralaya Annexe, Bombay-400 032 Dated the 19th July 1982.

To

The Registrar, University of Poona,

> Subject: - Government's permission to opening of new colleges having Arts, Science, and Commerce faculties from the academic year 1982-83.

Sir,

In continuation of Government Letter of even number, dated 14-6-1982, I am directed to inform that the State Government accords its approval, under Section 43(4 &5) of the Pune University Act, 1974 for processing of application by the University moved for opening of a new Arts and Science College at Srigonda, District Ahmednagar from the academic year 1982-83 by the Chhatrapati Shivaji Trust, Srigonda.

- The above permission which is given on "no-grant basis" is further subject to the following conditions:
  - i) The College must secure minimum enrolment of 40 students in each faculty in which it has been permitted to impart instructions for the first year of the Degree Cours
  - ii) Not less than 30 students should appear for the University Examination to be held at the end of the academic year 1982-83.
- Since the academic year 1982-83 has already been started, it is suggested that the Vice-Chancellor of your University may kindly consider, pending appointment of Local Enquiry Committees, permitting, in exercise of the emergency powers, the college under reference to be opened from the beginning of the current academic year presuming that the State Government would have no objection to issue orders of final approval under Section 43(6&7) after the reports of the various statutory bodies of the University viz. Academic Council, Executive Council and the Senate are received by the Government. I am further desired to state that while communicating such permission to the Management, the Management may please be informed inequivocally that enrolment of students for admission to a faculty permitted to be opened should start only on a provisional basis and if atleast 40 students enrol for admission then, and then only, the admissions may be confirmed and the college actually started with such a faculty (faculties). If a minimum number of 40 stude its do not enrol for admission that faculty should not be opened at all. Further, the management should also

be informed that in the event of starting any faculty with the enrolment of less than 40 students or less than 30 students appearing at the University examination to be held in April 1983, the provisional permission given by Government for opening of an Arts and Science College should be deemed to have been withdrawn and that it would be required to close down the concerned faculty or faculties.

- 4. In partial modification of the orders contained in Government Letter of even number, dated 14-6-1982, so far as they relate to opening of an Arts, Science and Commerce College at Srigonda by the Rayat Shikshan Sanstha, Satara, Government has directed that Rayat Shikshan Sanstha should be permitted to open from the academic year 1982-83 a new college at Srigonda, having only Science and Commerce faculties. Consequently, the permission given to it for opening of an Arts faculty should be treated as withdrawn. Other conditions mentioned in paras 2 and 3 of Government Letter of even number, dated 14-6-1982 remain, however, unchanged.
- 5. A copy of this letter is being endorsed to concerned Managements also.

Yours faithfully,

( P.K. SACDEO ) DESK OFFICER.
