

Shri Chhatrapati Shivaji Mahavidyalaya, Shrigonda

National Service Scheme (NSS)

National Service Scheme, under the Ministry of Youth Affairs & Sports Govt. of India, popularly known as NSS was launched in Gandhiji's Birth Centenary Year 1969.

The work of spreading awareness to the youth of the country is being done through the National Service Scheme. The aim of the NSS is to provide practical experience to young students in delivering community service.

National Service Scheme (N.S.S.) unit has been functioning in our college since its year 1984-85. Since its beginning it has been trying sincerely to meet the needs and requirements of students and people of society.

Shri Chhatrapati Shivaji Mahavidyalaya, Shrigonda has a huge provision of 250 NSS volunteers. NSS camps are organized in every winter in a different or adopted village. The 7-day winter camp helps students understand and identify specific problems in that village and during this period they undertake several voluntary works. Programmes like Percolation tank and rain water harvesting, tree plantation, health awareness campaigns, anti-superstitions, etc. are carried out by the students during such camps.

Valuable contribution of N.S.S. unit to our college and society is as follows:

Planting and cultivating thousands of trees to save the mother earth and eventually to control pollution was undertaken by our NSS unit.

Various festivals are being celebrated at orphanage to create a feeling of domestic atmosphere for orphans in Ghugal Wadgaon, Shrigonda.

Special efforts were made to raise funds to help affected people from natural calamities such as flood, and so on.

N-95 masks are collected from NGO and under the guidance of medical professionals, they are being supplied to the people who are poor and needy in various villages of Shrigonda.

The college organizes blood donation camps which see large scale participation of students every year and thousands of blood bottles donated by student volunteers till date.

Activities like construction of bunds for water conservation were carried out successfully by the volunteers of our unit during Special Camps to give relief to villagers during summer.

Regular activities:

1. Blood Donation Camps
2. Swachh Bharat Abhiyan
3. Tree Plantation and Cultivation
4. Voter Awareness Camp
5. Aids Awareness and Rally
6. Road Safety Campaign
7. Bahadurgad fort Preservation
8. Bandhara, Percolation Tank
9. Celebrating important Days, Anniversaries etc.
10. Orientation Camps.
11. Personality Development Programs
12. Health Check-up Camps
13. Anti-Superstitions Show and Hypnotism
